

# OFFSHORE EQUIPMENT

## - MATERIAL HANDLING EQUIPMENT (MHE)

Each request for material handling equipment concerning electro, pneumatic, hydraulic mechanical systems is different.

Our engineers know how to deal with that as they have experienced for a long time.

We provide not only the needs of the company but also extensive engineering consulting in complicated technical situations.

■ Trolley hoist (Manual, Pneumatic, Electro type-explosion proof type.)

■ Roller Platform

■ Manual Deck Trolley

■ Multi Roller

■ Drum trolley

■ Manual floor crane

■ A-Frame Gantry Crane

■ Hand pallet truck

■ Table lifter

■ Jib crane

■ Scissors lift table

■ Manual stacker

■ Pallet truck

■ Elephant crane

■ Counter balance crane

■ Portable Tripod

■ Special Beam Clamp

■ Chain & Lever Block

# OFFSHORE EQUIPMENT

## - POWERED MOBILE EQUIPMENTS

■ Electric Floor Crane

■ Electric Platform Trolley

■ Electric Pallet Stacker

■ Electric deck trolley

■ Electric Rampway-less Trolley

■ Manual Rampway-less Trolley

■ Electric Pallet Truck

■ Electric Forklift Truck

■ Electric Working Platform

■ Battery Charging Station (in group)

■ Battery Charging Station (Individual)

■ Electric Elephant Crane

■ Electric Mini pusher

■ Electric stacker

■ Bridge & Over head crane

■ chainless trolley hoist
